Awakening The Genie Within (Chapter #10)

GROUP WORKSHEET "A"- GROUP CONSENSUS OF HIGH EXPECTATION NEEDS, WANTS AND DESIRES FROM AN ORGANIZATION

This worksheet is a consensus agreement of individual Worksheets #6A. Each participant's name is written at the top of one of the columns. Under their **Name**, they list their top 10 to 12 high-expectation needs, wants and desires ranked in order of priority from Worksheet #6A. Next, the group reaches a consensus on their prioritized needs, wants and desires under the column **Group Consensus**. Finally, under the **Exp.** and **Act.** Columns, the group records its consensus expectation for each need, want or desire and the actual reality as it applies to this organization. Use the same rating scale as in Worksheet #5A, where 1 is little to no expectation and 10 is the highest expectation.
