## Awakening The Genie Within (Chapter #10)

## GROUP WORKSHEET "B"- GROUP CONSENSUS OF LIFE VALUES AND EVALUATION OF THE ORGANIZATION'S CULTURE

This worksheet is a consensus agreement of individual Worksheets #6B. Have each person fill in their name and top 10 life values and then create a group consensus of the group's top values under the column **Group Result**. Note that there is space for 12 values if the group so desires. Next record the group consensus under the column **Supportive Culture?** as to whether the culture of the organization is supportive of each value. Where **1** is No, **2** is Somewhat, **3** is Yes and **4** is Exceeds. The same guidelines listed in Handout #3 can also be used to complete this worksheet.
